

关于假冒聚辰品牌出售 EEPROM 产品的严正申明

我公司（聚辰半导体有限公司）的大容量 EEPROM 产品因可靠性好和性能的稳定优越，远超市场上的同类产品，因此在蓝牙市场上广受欢迎。然而，我公司近日发现，有部分不法厂商盗用聚辰的品牌，销售假冒伪劣的 EEPROM 产品到蓝牙市场。对于此事件，我公司申明如下：

1. 如需购买聚辰产品，请务必通过聚辰正规途径或授权经销商购买；
2. 由于此事件对聚辰半导体造成了负面影响和经济损失，我公司保留向这些企业追究法律责任的权利。

聚辰半导体将继续强化产品技术开发和服务能力，以优良的产品品质、充满竞争力的价格和优秀的产品技术服务能力满足多样化的市场需求。

Declaration on Fake EEPROM Products Sold with Giantec Brand Name

High density EEPROM produced by Giantec Semiconductor Corporation is very popular among Bluetooth market because its reliability and performance are better than similar products in market. However, we recently found that some illegal manufactures are selling fake EEPROM products with Giantec brand name to Bluetooth market. For this incident, we declare as follows:

1. If you plan to buy Giantec products, please contact Giantec directly or authorized distributors;
2. Because this incident affected Giantec's reputation and business, we shall reserve the right to legal liability.

Giantec Semiconductor will continue to improve service and R&D to provide high quality products and competitive price to meet diverse market requirements.
